To the Student: READ & RETAIN THIS SYLLABUS as it contains details pertinent to CHM 2045L. YOU ARE RESPONSIBLE FOR KNOWLEDGE OF THIS INFORMATION! IGNORANCE IS NOT AN EXCUSE!

General Education Credit for CHM 2045L: CHM2045L is available for General Ed Credit since it is a 1st-semester UF lab course which introduces students to fundamental chemistry concepts and basic laboratory techniques, including balance and volumetric glassware use and computer skills for the chemistry laboratory.

Students With Disabilities: Students needing special accommodations in CHM 2045L must register with the Disability Resource Center (Reid Hall room 001) to get documentation for Dr. Horvath to obtain the accommodations.

Canvas: Canvas is used for grade maintenance & message posting. Log into Canvas using your GatorLink ID and password at: Lss.at uf.edu CHECK CANVAS REGULARLY FOR INFO & MESSAGES ABOUT CHM 2045L!

Beginning the Term (Read Carefully!): CHM 2045L begins M:1/11/16 - F: 1/15/16. On these days each section will check in and get going with Assignment 1 (A1) in the CHM 2045L Lab Manual. Read A1 carefully BEFORE check in!

ATTEND YOUR FIRST SCHEDULED LAB SESSION (LS)! YOUR 45L SPACE CAN BE LOST BY NON-ATTENDANCE!

During the Term (Read Carefully!): There are no LSs on M:1/18/16 which is a holiday honoring Dr. Martin Luther King’s Birthday (MLK Day). The missed MLK Day LSs will be made up on M: 3/28/16. (See Schedule - pg. 3.) Also note:

- No LSs M: 2/29/16 - F: 3/4/16 (Spring Break).
- The last (13th) LS for 45L is during M: 4/11/16 - F: 4/15/16.
- Each 45L student gets a max of 12 working LSs for the term including makeups. See pg. 3 for complete 45L Schedule.

Makeup Week: During M: 3/28/16 - F: 4/1/16, students missing one LS for excusable cause from A1 thru A7 can make up the LS during regular Lab time. Students needing more than one makeup may schedule such at Lab StockWindow. For more information on “Makeup”, see p. 3 of this Syllabus.

Required Equipment: Each listed item is to be in your possession at the first LS and will be used in all other LSs. See that you have these items:

1. CHM 2045L Lab Manual, Gen Chem Lab I, EIGHTH Ed. (by Horvath). Purchase at UF bookstore or other bookstore. NOTE: You may NOT attend Lab without Manual AND MANUAL MUST BE NEW (i.e., unused)!
2. Chemistry Department approved eye protection. UVEX S 2500-S2530 plastic safety glasses (available at UF bookstore or Florida Bookstore) or full safety goggles must be used as these can cover prescription glasses. NO EXCEPTIONS. Avoid the use of contact lenses in the Lab.
3. Towel and sponge (for clean up).
4. Ink pen (nontarnishable). All entries in the Lab Manual must be made in indelible ink. NO pencil. EVER!
5. Sharpie permanent felt-tip glass marking pen.
6. Pocket calculator. Note that many calculations will be done in Lab.
7. Lab apron (optional). You are urged to protect your person and clothing by wearing an apron in Lab.

Safety & Clean-Up: See GENERAL CHEMISTRY LABORATORY REGULATIONS (GCLR). Students may not work in the Lab without complete compliance with these rules. (You will receive a copy of the GCLR in your first LS.)

1. APPROVED EYE PROTECTION MUST BE WORN ON ENTERING, WORKING IN, AND LEAVING LAB. NO EXCEPTIONS. (See GCLR.)
2. Complete lace-up, closed-toe shoes (no sandals, thongs, etc.) are required Lab footwear. (See GCLR.)
3. Jumpsuits: Must be appropriately constrained. Haz is very flammable!
4. Full-length JEANS (other leg attire not acceptable in Lab) are required for both males and females.
5. No visitors or browsers are permitted in the Lab.
6. Note location of fire extinguisher, overhead shower, and eye wash station. Use safety devices as necessary.
7. NO EATING, DRINKING, OR SMOKING PERMITTED IN THE LAB AT ANY TIME.
8. Use only required amounts of chemicals. NEVER return unused portions to original container. Use supplies ONLY from your Lab Area. As necessary, get additional supplies at StockWindow – not from another Area.
9. CLEAN UP ANY MESS YOU MAKE. Discard waste materials appropriately -- ask TA if you have questions. CLEAN UP WORK AREA AT CONCLUSION OF EACH LAB SESSION. PENALTIES WILL BE APPLIED FOR FAILURE TO CLEAN UP PROPERLY! (See “HOUSEKEEPING” in GCLR.)
10. Do not leave lit burners unattended. Extinguish burner after use.
11. Perform NO unauthorized experiments.

Information on Student Honesty: UF’s policy on honesty and cheating can be seen at the following web site: www.ch em.ufl.edu/~i tl/honor .html All students should visit this site and read the information which it offers.

Cell Phone Use: Turn OFF cell phones in Lab! Lab cell phone use costs 10 pts per call up to 3 calls – then SG = zero! If you are to get an emergency call, tell your TA and when call comes step out of Lab to answer the call.

Attendance: Each student is expected to be on time for every scheduled LS and work until the Assignment for the LS has been completed. Note that there is ample time during each LS to do all required work, some limited repeat work, and, for certain Assignments, extra credit work -- provided you & your Lab Team are prepared and work expeditiously.

Work in Lab is permitted ONLY during the scheduled LSs for which student is enrolled. (Authorized makeup is the only exception -- see p. 3 at "Makeups"). Moreover, students may not work until their TA arrives and must finish work, CLEAN UP, and leave Lab by the end of the LS. Clean up is during last 10 minutes of LS. (See GCLR.)

NOTE: Regardless of UF SCHEDULE, pers 11-2 LSs end at 9:15 pm. Thus, each 45L SECT has a 3 hr LS.

Preparation: Preparation is required prior to each Assignment (A). This means careful pre-reading and study of each “Discussion” (ESPECIALLY!), and “Experiment” (see Lab Manual). This practice will help form a strong understanding of any A before tackling it in Lab.

Punctuality: Students must be “on time” for Lab. You cannot contribute properly to the progress of your Lab Team if you are late and/or unprepared. Your TA will note lateness which will deduct severely from your “SG” (see below) and possibly from your Assignment grade (see below at “Team Work.”)
Lab Teams: In LS 1, Lab Teams will be created by Locker Assignment. (Students may NOT choose team members.) Teams consist of three nearest-neighbor students (or two, depending on section enrollment) with each Team Member designated as BLUE, GREEN, or RED. **Be sure to note color designation for each Member of your Team.**

Team Work: Except for Quizzes & Final Exam, students work as a Team for the term. Thus, each Team Member gets the same grade for each Experiment (E) provided that each Member contributes a **FAIR WORK SHARE** to Team progress for each E. Non-contributing Team Members are subject to grade penalty (severe if non-contribution is blatant) by SG and possibly by CG (course grade). You can’t learn in Lab if you don’t contribute!

**SPECIFICALLY, IF YOUR TA OBSERVES YOU TO BE A NON-CONTRIBUTING TEAM MEMBER IN PERFORMING WORK FOR ANY E, you will receive ZERO as the minimum penalty for the Assignment regardless of the grade earned by other Team Members. You can’t learn in Lab without doing experimental work!**

2045L STUDENT RESPONSIBILITY: In conjunction with the above, **NOTE THAT EACH STUDENT IS RESPONSIBLE FOR ALL 45L WORK AS IF HE/SHE WAS INDIVIDUALLY ENROLLED.** Thus, to your TA the report the name of a team member not contributing his/her fair work share to an experiment!

**“OK” Checkpoints: For your benefit, your TA will examine EXPERIMENTAL work at each “OK” Checkpoint. This gives the opportunity to repair/reduce inadequate or unacceptable work before continuing and wasting valuable Lab time.**

**Deadlines:** The “Experiment” (EXP = entire Exp Section for an Assignment = Lab Report) for each Assignment is due from the designated Team Member — BLUE, GREEN, or RED, in accordance with the following:

- **EXPs for A2, A3, and each part of A5 thru A8 ARE DUE AT THE END OF THE LS IN WHICH THE EXP WAS DONE.**
- **Due to time required for Check-In, A1 EXP may be due at start of LS2. Your TA will announce accordingly.**
- **Due to time required for A4, A4 EXP may be due during LS5. Your TA will announce accordingly.**

Late Work: Late Work is devalued at 10% per day late up to one week. Zero credit for any work later than one week.

Submission of Lab Report (EXP): Remove each page of Exp Section (this is the Lab Report) at perforation in Lab Manual, staple in sequence, and give to your TA. After grading, the Lab Report will be returned to you and is to be repaginated in your Lab Manual, kept and maintained in a 3-ring binder. (See below at “Lab Report”.) Now note: **ALL Lab Reports are to be turned in directly to your TA. However, if you are unable to contact your TA, work may be turned in at the Lab Stockwindow (but NOT during the last LS).**

**IF YOU MISS LAB, WORK MUST STILL BE TURNED IN ON TIME. NEVER TURN IN WORK VIA CHEM. DEPT. MAIL!** See TA for instructions on turning in work out of Lab.

Late Lab Report: As noted above, per Assignment, the entire completed Exp Section, including acceptable responses to each Q, is the Lab Report for the Assignment. Submit it nothing else for grading unless directed otherwise.

Responsibility for Lab Report submission per Team will rotate based on Team-Member color (see above at Lab Teams). This practice will be explained by your TA during LS 1.

**Problems:** Solutions to “Problems” (see end of each Experiment) are posted on Canvas so that you can check your “Problems” solutions. “Problems” (except for Assignment 8) are not to be submitted for grading. **BUT, 2045L Quizzes (see below) and Final will be based primarily, if not entirely, on “Problems”. So, DO “Problems”!!**

Lab Quizzes (Qzs): Qzs (3) are issued online and are individual activities (each student takes). Dates/times are in the Schedule (p. 3) and announced/issued on Canvas. Qzs will be challenging and based on all to-date graded A’s & Probs.

**Coverage:** Qz 1: A1-3 ÷ 40 pts. Qz 2: A1-6 ÷ 50 pts (emphasis on A 4-6). Qz 3: A1-6 ÷ 60 pts (emphasis on A 6-8). Any Qz you can’t access is your Problem to resolve since all UF students are expected to be COMPUTER SAVVY.

Grading per Assignment (A): Most of each A is essentially graded in Lab as the Experiment (E) work is done. “OK” checkpoints facilitate this purpose. However, certain E work such as **Unknown Results** are not graded until the Lab Report is turned in for grading. (See **Deadlines** above.)

**Total Points Earnable/Assignment (A) = E + Possible Extra Credit (XC).** Any changes will be announced.

A1 ÷ 75 A2 ÷ 75 A3 ÷ 125 A4 ÷ 125 A5 Part 1 ÷ 75 A5 Part 2 ÷ 75 A6 Part 1 ÷ 75 + 25(XC) A6 Part 2 ÷ 75 + 15(XC) A7 Part 1 ÷ 50 A7 Part 2 ÷ 50 + 15(XC) ÷ 35(Raq’d ChaliAngA) B(A) ÷ 100 A8(P’s) ÷ 50 \( \sum = 1040 \) for all A’s & XC

**Note:**

- **YOUR TEAM MUST DO THE LAB WORK REQUIRED BY CHM 2045L TO BE SUCCESSFUL. REGARDING THIS, NOTE THE OK CHECKPOINTS IN THE LAB MANUAL. NO WORK MAY PROCEED PAST AN OK WITHOUT TA APPROVAL.** Thus, your TA has the **RIGHT TO INSPECT YOUR LAB MANUAL AT HIS/HER DISCRETION, NONCOMPLIANCE WITH THIS POLICY RESULTS IN ZERO CREDIT FOR ALL NON-OK” WORK.**

- **FORCING TA’s OK or DRY-LABBING (WRITING ENTRIES IN THE EXPERIMENT FOR ANY ASSIGNMENT OUTSIDE OF LAB) IS CHEATING. PENALTY IS AUTOMATIC GRADE OF "E".**

- **IF YOU HAVE LAB WORK FROM STUDENTS NOT ON YOUR TEAM, YOU WILL AUTOMATICALLY BE ASSESSED AN E GRADE, NO EXCEPTIONS. NOTEBOOKS, BACK PACKS, etc., WILL BE INSPECTED AS NECESSARY TO ENFORCE THIS POLICY.**

- **IF YOU HAVE LAB WORK FROM A STUDENT WHO HAS ALREADY TAKEN 2045L, BOTH YOU AND THE FORMER STUDENT WILL BE ASSESSED A GRADE OF "E"!** Thus, the former student will have his/her grade changed retroactively!

- **LAB MATERIALS/EQUIPMENT MAY NOT BE REMOVED FROM THE LAB. VIOLATION RESULTS IN GRADE OF "E".**

- **CHANGED LAB-REPORT ENTRIES MUST BE LINED OUT AND REWRITTEN. ERASURES/OBLITERATIONS ARE NOT ALLOWED. ALL ENTRIES MUST BE WRITTEN IN INDELIBILE INK. EACH VIOLATION \( \times 10 \) PT LOSS FROM ASSIGNMENT GRADE.**

Subjective Grade (SG) by TA: The SG is a 25-pt max grade resting mainly on factors such as preparedness, neatness, improvement, demonstrated interest in learning, and exhibited contribution to Team Work. Thus, the SG is principally a character-assessment grade (like a reference letter) made by your TA and if you simply meet minimum requirements as a 2045L student — but no more — your demonstration of character is average, hardly good enough to get you hired, and your SG will be \( \sum = 15-18 \) pts. **SIMPLY PUT — YOU MUST EXCEL TO BE EXCELLENT!**

CHM 2045L Course/TA Evaluation: The Eval will be conducted at THE START of LS 12. All students are to participate.

**Checkout & Last (13th) LS:** Students may work during the first 90 minutes (absolute maximum!) of LS 13 to complete the Exp for A8. At the 90-minute mark, work will cease and students will clean up and check out.

**Also:** All students checked into 45L must check out. If you leave 45L before the end of the term by drop, withdrawal, or "F" grade, you must still check out. Students completing 45L must check out in LS 12 (or LS 13).
### CHM 2045L Schedule -- Spring, 2016 (subject to change -- any changes will be announced on Canvas)

<table>
<thead>
<tr>
<th>Week of:</th>

<td>Feb 29</td>
<td>No Labs - Spring Break.</td>
<td>T: 4/26/16</td>
<td>45L Final Exam – Group 26B</td>
</tr>
</tbody>
</table>

**M**: 1/18/16 is MLK Day. So, MONDAY 45L students will do A2 on Monday: March 28, 2016.

### Final Exam:
The CHM 2045L Final Exam is a minimum 125-pt exam given T: 4/26/16, 10:00 am - Noon at a location to be announced. If you intend to take the exam but have a legitimate conflict with the schedule you must see Dr. Horvath in person during the last week of class in LEI 132 to arrange a makeup. Exam Qs & Ps depend on understanding work in CHM 2045L. Extra credit can also be earned. **A SOLUTION KEY TO A PAST 2045L FINAL EXAM IS AVAILABLE ON CANVAS.**

### Course Grade:
The CHM 2045L grade is based on total pts earned, not %’s (IGNORE “OUT OF” CANVAS VALUES) including extra credit (XC). **Note: Without XC work in certain Assignments, earnable pt totals are: 950 (for A’s 1-8) + 150 (Q Zs) + 25 (max SG) + 125 (min for Final) = 1250 to which this grade scale rigidly applies:**

<table>
<thead>
<tr>
<th>Grade</th>
<th>A: 1100 or up</th>
<th>B+: 1000-1049</th>
<th>B: 900-949</th>
<th>C: 800-849</th>
<th>D+: 700-749</th>
<th>D: 600-649</th>
<th>E: below 600</th>
</tr>
</thead>
</table>

**“I” Grade:** An “I” grade can be issued only if the requesting student meets each of the following requirements:

(i) 50% or more of course work **(at least thru A5)** has been successfully completed (i.e. student is in passing mode).

(ii) Student has legitimate reason for not completing course (e.g., serious illness, accident, etc.).

Any student receiving an “I” must still check out. **“I” grades must be discussed with Dr. Horvath. NO exceptions.**

### Makeup (MU):
All MUs prior to A8 take place during the week of March 28 as indicated in Schedule above. M Sections make up A2 on M: 3/28/16 at regular Lab time. **Now note:**

- If possible, MU will be scheduled when your TA is on duty. In this case, on completion of MU, see your TA in the Lab Area where he/she is on duty to submit your work for formal grading.

- Be sure to ask your TA when he/she teaches 45L for sections other than yours.

- If MU is done when your TA is **not** on duty, get Makeup Form (MF) at StockWindow and have TA sign, date, and indicate on MF Assignment to be made up. After MU, MF must be signed by MU TA and given to regular TA to verify that MU was done properly. **Failure to comply results in zero credit as a minimum penalty for work made up.**

- After the MU dates indicated above, MU will be scheduled only for having missed A8 unless the student can provide documented proof that he/she could not do MU for earlier A’s during the indicated MU dates.

- MU’s are issued only to replace LSs missed for excusable cause. **Each student is entitled to no more than 12 working LSs for the term INCLUDING makeup.**

- For questions on MUs and MU scheduling see Donna Turner or Candace Biggerstaff (Lab Managers). 

**DO NOT contact Dr. Horvath about missed Labs or MU unless absolutely necessary – and, only in person!**

### Assembly Exam & MU:
Students with night Lab (pers 11-E2) may have to take Assembly Exams which begin at 8:20 pm. **Each such student is to request an exam MU from the professor giving the exam** -- but, if the request is not granted, the student must attend Lab on the day of the exam until 8:00 p.m. As necessary, a student will be granted MU time during MU Week to complete unfinished work attributable to Assembly-Exam conflict.

### Out-of-Class Help:
Out-of-class help for Gen Chem students will be provided on a regular daily basis in the Chemistry Learning Center (CLC) which is FLI 257. **(DO NOT eat, drink, or socialize in the CLC)** All Gen Chem TAs conduct their office periods in CLC. So, note your TA’s office periods, and, if you need out-of-class help but cannot contact your TA, you may request help from any 2045L TA who is on duty in the CLC. A help-schedule will be posted on Canvas and help will generally be available throughout the week. But do check the help-schedule.

### Please Report the Name of Any 2045L TA Absent from Scheduled CLC Duty to Dr Horvath

### Complaints/Conflicts/Qs on Grades, etc.

If you experience issues with CHM 2045L (ex: Qs on grading) which you cannot resolve with your TA, **IN PERSON see DR. HORVATH IN LEIGH 132.**

**AND DO NOT WAIT TIL THE END OF THE TERM TO RESOLVE AN ONGOING PROBLEM!**

**Dr. Horvath Must Be Seen in Person to Resolve Any Issue Regarding CHM 2045L.** Email or telephone contact may be used ONLY to establish a meeting time if the student cannot attend Horvath’s Office Periods*. Beyond that, email and/or telephone messages WILL BE DELETED! This policy is in effect during and after the Term.

**To arrange to see Dr Horvath, send him your schedule. DO NOT ask Dr Horvath when he can see you!**

### HAVE A GREAT SEMESTER

Those who never try are those who really fail. More is gained from a hard-earned “C” than from a soft, easy “A”.

---

*For hard questions, try the help schedule.*
