Quizzes on Homework. 45 points total (15%)	Friday, May 13, in class Friday, May 27, in class Friday, June 10, in class
Final Exam. 140 points (35%)	Friday, June 17, in class

(Note: approximately half of the final exam will be on "new" material and half will be cumulative.)

The following anticipated grade cut-offs will not be raised: From 385 total points, A(330), A-(315), B+(300), B(290), B-(275), C+(260), C(250), C-(235), D+(220), D(210), D-(195)

Homework: Homework will be assigned weekly. Answers will be provided prior to the due date. Homework will not be graded, but quizzes and some questions on tests will closely follow assigned homework questions. Working on homework with a partner or in groups is strongly encouraged.

Attendance: Attendance is required for all quizzes and tests. Makeup quizzes and exams will only be considered for documented absences consistent with university policies that can be found in the online catalog at: <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>. Dr. Talham does not require attendance at lectures, although it is highly recommended.

Academic Honesty: UF students are bound by The Honor Pledge which states, "We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code." On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: "On my honor, I have neither given nor received unauthorized aid in doing this assignment." The Honor Code (<http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel.

Accommodations for students with disabilities: Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, www.dso.ufl.edu/drc/) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

UF Course Evaluation Process: Students are expected to provide feedback on the quality of instruction in this course based on 10 criteria. These evaluations are conducted online at <https://evaluations.ufl.edu>. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at <https://evaluations.ufl.edu/results/>.
