

# ORGANIC DIVISION GRADUATE SEMINARS — FALL 2017

Department of Chemistry, University of Florida  
CHM 6390 - Graduate Organic Chemistry Seminar

Most seminars are Thursdays 4-5PM in Sheridan Auditorium (221 JHH), though carefully check the schedule below for exceptions. Student seminars may be on Tuesdays or Thursdays and should be 25 ± 2 min + 3 min for discussion.

**Important notes:** All students in their 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> years must register for CHM6390 and will receive a letter grade (A-E) for the semester. Students presenting during a given semester are assigned a grade of A-E based on quality and delivery of slides, clarity and comprehensibility, timing, and having given proper 10-day advanced notice of their title (see below). The grade for the semester is reduced by one letter grade for presenters whose attendance is 60-80% of all seminars, two letter grades if attendance 40-59%, three letter grades if attendance is 20-39%, and four letter grades if attendance is ≤19%. Students not presenting during a given semester are assigned a grade of A-E based on attendance, with a grade of A for attendance of 81-100%, B for 60-80%, C for 40-59%, D for 20-39%, and E for ≤19%. The only excused absences will be for teaching assignments that have been relayed via a written statement sent to Frank Farley (f.farley@ufl.edu) no later than the second Wednesday after the start of the semester.

## \*\*\*ALL STUDENT SPEAKERS MUST \*\*\*

GIVE THE TITLE OF THEIR PRESENTATION to Mr. Frank Farley (f.farley@ufl.edu)  
**10 DAYS PRIOR TO PRESENTATION DATE (or receive 1 grade penalty)**

All change requests must be accompanied by supporting letter signed by Division Head, Dr. R. Castellano.

Notes: Faculty Supervisor appears after name; # = year in graduate program; L/R = Literature/Research; R = Research).
