Test Packets will be available at Target Copy.

Grading Policy: Grades will be determined entirely on the basis of the three progress exams plus the final exam. Each exam will be worth 100 pts and the final exam will be worth 150 pts. A curve of 80% A, 65% B, and 50% C will be considered “normal”, but each exam will be individually evaluated and curved with this information being provided when the exams are returned.

All students that have an A grade (numerically) after the three progress exams will be exempted from the final exam.
