**Accommodations for students with disabilities:** Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center. [Click here to get started with the Disability Resource Center](#). It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.
Homework:
Homework due date will be announced in class. Late homework will not be accepted. Each problem will have to show the full derivation. It is expected that the students will collaborate on some of the problems but, unless otherwise indicated, the homework must be delivered individually.

Honor code:
The student honor code can be found at: www.dso.ufl.edu/sccr/honorcodes/honorcode.php. The students and instructor are honor bound to comply with the Honors Pledge: We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity.
